

Advertising

If you are a member of the ImageJ Community, it would be great if you could help us advertising this event by placing one of our banners on your web site!

The banner is available in different standard banner formats:

Full banner
(468 x 60 pixel)

Half banner
(234 x 60 pixel)

You can download the banners and link it to the conference homepage at <http://imagejconf.tudor.lu> or link the banners directly. Here is a HTML code example to link the banners directly:

Full Banner:

```
<a href="http://imagejconf.tudor.lu" target="_blank">
</a>
```

Half Banner:

```
<a href="http://imagejconf.tudor.lu" target="_blank">
</a>
```

For later this year, we will provide additional advertising material. Among other things we will make a poster available, which can be printed or ordered.

Poster

It would be great if you could hang a poster in your institute or company.
[printable version of the poster.](#)
